

Amendment Under 37 C.F.R. § 1.111  
USSN 10/032,577  
Attorney Docket Q67903  
March 10, 2004

### **AMENDMENTS TO THE CLAIMS**

**This listing of claims will replace all prior versions and listings of claims in the application:**

#### **LISTING OF CLAIMS:**

1-10. (Canceled)

11. (New) A motor vehicle comprising a passenger compartment, a front compartment arranged in front of the passenger compartment, an engine and gear box mounted in the front compartment, a heat exchanger unit comprising an engine cooling radiator arranged behind the engine and in front of the passenger compartment and a manifold extending laterally of the engine above the gear box for conveying a flow of air, said manifold having an inlet arranged in a front portion of the front compartment and an outlet arranged in a rear portion of the front compartment adjacent said heat exchanger unit.

12. (New) A motor vehicle comprising a passenger compartment, a front compartment arranged in front of the passenger compartment, a heat exchanger unit comprising an engine cooling radiator mounted behind the engine in front of the passenger compartment and a manifold extending from a front portion of the front compartment to a rear portion of the front compartment, wherein said manifold is comprised of a hollow variable cross-section structure comprising a bottom wall, a pair of side walls and an upper closing wall fixed to the bonnet of the engine compartment so that the interior of the manifold is accessible from above when the bonnet is raised.
